66 C. Santos St.,
Brgy. Ugong, Pasig City,
Metro Manila, NCR

Professional Summary

I am a servant-leader eager to help my team grow through effective collaboration, communication, and efficient delegation of tasks based on team strengths and weaknesses. With strong leadership, clerical, and business skills, I excel in managing Google Sheets, Docs, Drive, Calendar, and other tools for organization and time management. I'm also skilled in marketing, negotiation, and sales, which I utilize as the CEO of Boss Jer Kitchen. While developing technical skills in Python programming, I am building a foundation in data science.

Work Experience

CEO and Owner – Boss Jer Kitchen

September 2024 – Present

- Directed marketing, client communications, internal affairs, and human resource management to ensure smooth operations and business growth.
- Led store renovation, managing all aspects from planning and design to execution.
- Created the brand identity and brand guidelines, including uniform design, to establish a cohesive and professional brand presence.

Technical Projects

PanTrapiko (Local Ride Booking System)

June 2024

- Python, CSV, SQLite (DBeaver), VS Code, Jupyter Notebook, Tkinter
- Developed a local ride-booking system that optimized ride management and user experience through data handling with CSV and SQLite.

Local Contact List

February 2024

- Python, CSV, VS Code
- Built a local contact management system allowing efficient storage and retrieval of user contact details using CSV files.

Major Leadership Roles & Co-curricular Activities

Vice President for Technicals

Mechatronics and Robotics Society of the Philippines -
NCR Student Chapter | April 2024 – Present

- Organized and coordinated technical workshops, webinars, and skills competitions, fostering collaboration among technology enthusiasts across the Philippines.
- Led technical operations for events, ensuring smooth execution from planning to completion.
- Created PowerPoint presentations, program flow charts, and certificates to enhance event professionalism.
- Facilitated networking opportunities with industry experts, contributing to a knowledge-sharing culture within the chapter.

President

Mechatronics and Robotics Society of the Philippines -
PUP Student Edition | October 2024 – Present

- Spearheaded the growth of a newly established university-wide organization by structuring teams, improving communication, and developing strategic event plans.
- Implemented team-building initiatives to encourage collaboration, skill development, and shared responsibility among members.
- Established connections with professionals and institutions to support events, workshops, and competitions.

Auditor

Bachelor of Science in Computer Engineering
2nd Year Batch Officers | Academic Year 2024-2025

- Oversaw and verified financial records, ensuring transparency and accurate reporting for the batch's events and activities.
- Acted as a liaison between officers and batch members, relaying information and addressing concerns.

Vice President

Bachelor of Science in Computer Engineering
1st Year Batch Officers | Academic Year 2023-2024

- Led initiatives and supported academic and social programs, fostering a collaborative and motivating environment for the Computer Engineering freshman batch in the 2023-2024 academic year.
- Enhanced communication channels and streamlined event coordination, ensuring efficient management and engagement among batch members and faculty advisors.

President

Math & Science Club
Senior High School | Colegio de Sta. Monica de Angat | School Year 2022-2023

- Directed and organized interactive workshops and science fairs, inspiring interest in STEM subjects among senior high school students at Colegio de Sta. Monica de Angat.
- Fostered an inclusive and dynamic learning environment, collaborating with faculty to create programs that supported academic growth and curiosity in math and science.

Education, Awards, & Accomplishments

College

Polytechnic University of the Philippines – Sta. Mesa
Bachelor of Science in Computer Engineering
2023 - Present

First Year Awards:

- Academic Achiever | First Semester | GPA: 1.67
- Dean's Lister | Second Semester | GPA: 1.75
- Champions | League of Legends: Wild Rift Tournament | College of Engineering Month

Senior High School

Colegio de Sta. Monica de Angat
Science, Technology, Engineering, and Mathematics Strand 1
2021-2023

Ranking:

- Rank 8 out of 95 STEM students
- Rank 16 among the whole batch

Graduation Awards:

- Examplary Academic Performance with High Honors
- Outstanding Auxiliary Officer
- Loyalty Award
- Faithful Math & Science Club Member Award (Club President)
- Faithful Art Club Member Award
- Perfect Attendance and Punctuality Award

Other Awards:

- EXPO 2022 - 3rd Place on Best Product (Business Category)
- SHS Intramurals 2023 - 3rd Place in Science Quiz Bee
- SHS Intramurals 2023 - 2nd Place in Chess

Junior High School

Colegio de Sta. Monica de Angat
2017-2021

Graduation Awards:

- Academic Excellence Award with High Honors
- Outstanding Officer

Elementary

Colegio de Sta. Monica de Angat
2011-2017

Graduation Awards:

- Academic Excellence Award with Honors
- Saint Pedro Calungsod Award

Kinder

Colegio de Sta. Monica de Angat
2010-2011

- Academic Excellence Award with Honors

Seminars Organized or Attended

Energy Storage and ICT for Sustainable Mobility

March 14, 2024 | Online | MRSP NCR, DICT, IECEP Rizal | Synthesis Speaker

AI in Computer Networks: Optimization Techniques

March 21, 2024 | Online | MRSP NCR, DICT, IECEP Rizal | Synthesis Speaker

Greening Engineering: Exploring Natural Fiber Composites for Lightweight Applications in Engineering

April 4, 2024 | Online | MRSP NCR, DICT, IECEP Rizal | Facilitator

Future Proofing Wireless Networks Wifi-7 and Beyond

April 5, 2024 | FEU Institute of Technology (with online option) | MRSP NCR, MRSP NCR Student Edition, FEU Institute of Technology | Facilitator

Navigating the Future: Sustainable Innovations in Aircraft Communications Systems

April 11, 2024 | Online | MRSP NCR, DICT, IECEP Rizal | Facilitator

AI Modelling and Telemetry

April 18, 2024 | Online | MRSP NCR, DICT, IECEP Rizal | Facilitator

UE-Caloocan College of Engineering Exhibit and Research Colloquium

May 15, 2024 | Engineering Building, UE-Caloocan | UE-Caloocan, MRSP NCR District III | Organizer

Unlocking Efficiency: Exploring Automation and Programmable Logic Controllers (PLCs) for Enhanced Industrial Processes

May 18, 2024 | Online | MRSP NCR, MRSP NCR District IV, IECEP Rizal, IECEP Rizal Student Chapter | Organizer

Agile Framework and Principles

May 31, 2024 | Zoom | PUP, Software Engineering Day 2024 | Participant

Conversational Security

May 31, 2024 | Zoom | PUP, Software Engineering Day 2024 | Participant

Quantum Computing: Breaking the Encryption Code

May 31, 2024 | Zoom | PUP, Software Engineering Day 2024 | Participant

Opportunities for Electronics Engineers: Advancing Efficient Energy Use and Responsible Nuclear Waste Management with Smart Technologies

August 3, 2024 | Online | MRSP NCR, IECEP Rizal | Organizer

Seminars Organized or Attended

Drone Mastery: From Fundamentals to Future Innovations in the Philippines

August 9, 2024 | Online | MRSP NCR, IECEP Rizal, IIEE ESAC, University of Sto. Tomas | Organizer

Mechatronics and Robotics for Sustainable Nuclear Energy Management

October 11, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Revolutionizing Research and Education With AI Tools

October 18, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Sustainable IoT Systems: Bridging Environmental Responsibility with ECE Innovations

October 19, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Exploring Soft Robotics: Principles, Applications and Future Trends

October 21, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Smart Farming: Harnessing IoT for Sustainable Agricultural Innovation

October 29, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Fundamentals of SLAM: Simultaneous Localization and Mapping

November 7, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Introduction to Railway Signaling

November 8, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Technopreneurship: From Ideas to Reality

November 13, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Smart Sensors for a Sustainable Planet: Real-Time Environmental Monitoring with IoT

November 13, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Crafting a Career in Mechatronics and Robotics After Graduating Engineering

November 25, 2024 | Online | MRSP NCR, MRSP NCR Student Edition, IECEP Rizal | Chair

Conventions Organized or Attended

Technology and Engineering Pitch Competition 2024

April 12, 2024 | Online | MRSP NCR, MRS NCR District III, University of the East - Caloocan | Organizer

MRSP NCR Mechatronics Skills Competition

May 24, 2024 | Online | MRSP NCR, FEU Institute of Technology | Organizer

MRSP NCR Robotics Skills Competition

May 24, 2024 | Online | MRSP NCR, FEU Institute of Technology | Organizer

MRSP NCR IoT Skills Competition

May 24, 2024 | Online | MRSP NCR, FEU Institute of Technology | Organizer

MRSP NCR Research Design Innovation Exhibit and Pitching Contest

May 24, 2024 | Online | MRSP NCR, FEU Institute of Technology | Organizer

7th National Skills Competition for Metals and Engineering Week 2024

June 18, 2024 | MIRDC Compound, Bicutan, Taguig City, Manila | MRSP National | Member

Outreach Programs & Community Involvement

Ministry of Altar Servers - Sta. Monica de Angat Parish

2014-2019 | Sta. Monica de Angat Parish | Altar Server

Hiraya ng Pag-asa - Angat Community Pantry Initiative

May 2021 | Angat, Bulacan | Volunteer

Special Program for Employment of Students

July - August 2022 | Department of the Interior and Local Government (DILG) - Municipality of Angat | Department of Labor and Employment (DOLE) | SPES Assigned at DILG - Angat

Brigada Eskwela 2023

August 19, 2023 | Angel M. Del Rosario High School | DepEd | Stakeholder

SK Elections 2023 Candidate

2023 | Pulong Yantok, Angat, Bulacan | Team Nida-Allen | SK Councilor Candidate

Arduino Basics and Simulation Workshop for the Students of Navotas National Science High School

June 12, 2024 | Computer Engineering Building, UE-Caloocan | MRSP NCR, MRS NCR District III, University of the East - Caloocan | Organizer

Outreach Programs & Community Involvement

Outreach Program on Machine Learning and Data Visualization

June 13, 2024 | Computer Engineering Building, UE-Caloocan | MRSP NCR, MRS NCR District III, University of the East - Caloocan | Organizer

Concordia Children's Services Inc.

June 30, 2024 | Sta. Mesa, Manila | Civic Welfare and Training Service (CWTS) | Appropriations Committee Head

Skills

Leadership & Business

Team collaboration, task delegation, marketing, negotiation, sales

Clerical & Tools

Google Sheets, Docs, Drive, Calendar, PowerPoint presentations, time management, AI

Technical Skills

Python (basic programming), CSV, SQLite, VS Code, Jupyter Notebook, Tkinter

Soft Skills

Presentation speaker, project management, event organization, team building

Certifications

Programming for Beginners Using Python

Department of Information and Communications Technology (DICT)
April 2024

Language

- Filipino
- English
